GEO-MATRIX™ Hybrid Mattress Overlay

Geo-Matrix™ gel and gel-infused memory foam combine to create this multi zoned mattress overlay.

Head and Heel sections include gel-infused memory foam. This allows for comfortable immersion, while the gel that is infused into this memory foam prevents heat build up, to assist in managing micro climate.

The Coccyx region is made using Blake Medical's proprietary Geo-Matrix™ technology. Geo-Matrix™ gel's high end pressure redistribution, friction and shear prevention and enhanced temperature control, make this a superior zone of protection in a more high risk area.

Standard overlay dimensions: 36" x 80" x 1.5"

Custom sizes available: Yes

Warranty: 5 years on overlay, 1 year on cover

Covers: 4 way stretch, antimicrobial, fluid proof, wipeable cover
